

## High5 News - Reader Survey

April 2011

### PURPOSE & METHODOLOGY

A total of 903 surveys were completed for use in this analysis. Percentages for single-response questions are reported to the number of respondents who answered each question, or specific portion of a question, which may vary. Percentages for multiple-response questions are reported to all respondents of that question. Survey responses were gathered from March 28th, 2011 to April 15th, 2011. A sweepstakes opportunity to win prizes was offered to fill out the survey through the High5 News newspaper.
