## Introduction

---

*Open Horizons* magazine is a quarterly glossy regional consumer magazine, targeting affluent households in and around Provo, Utah. The total circulation is approximately 30,000 and consists primarily of paid and non-paid subscription and direct-mail distribution. This survey was designed to provide Horizons Media, Inc. with a profile of *Open Horizons* readers' specific product preferences, buying habits, income levels, reading habits, editorial preferences, and demographics.

## Methodology

---

The survey featured a preprinted, reply postage paid, custom questionnaire, inserted into the Winter 2010 issue of *Open Horizons* magazine. A total of 642 completed surveys were returned to the Horizon Media office. Verified Audit tabulated 500 randomly selected surveys, performed data analysis, and produced this presentation quality data summary report.

Margin of error does not apply in a survey of this type. Results may not be representative of the demographics or other characteristics of the entire readership of *Open Horizons* magazine. Rounding error may occur.

## Prizes

---

As incentive to participate in the survey, a free 1-year subscription of *Open Horizons* was given away.
